The four of the historic members of the Gipsy Kings and are excited to be reunited after more than twenty years, touring again and releasing a new Album.

The French Courts recently deemed that Paul, Patchai and Canut Reyes cannot use the name Gipsy Kings anymore. They reserve the right to appeal, but for now they will apply the court decision.

Paul, Patchai and Canut are part of the GIPSY - REYES FAMILY.

PATCHAI, PAUL, CANUT and with their brother-in-law **CHICO BOUCHIKHI**, will carry on proudly as their Great Grandfathers, Grandfathers and Fathers have done performing their special STYLE of GIPSY MUSIC with Soul, Excitement and Passion.

To add further to this wonderful news they will be releasing a new single album in 2018, recorded in Miami.
